## 2012-2013 FLAME Lesson Descriptions

### **Lesson 1: LIBRARY VISIT**

This lesson is designed to be part of a public library tour, complete with applications for library cards. Parents will become familiar with their local library as they learned about the different programs already schedule for parents and children.

### **Lesson 2: TEACHING THE ABC's**

This lesson demonstrates simple ways to teach letters and sounds. The emphasis is on language games, songs, and language experience activities.

### **Lesson 3: CREATING HOME LITERACY CENTERS**

This lesson shows parents how to create and use a literacy activity center that includes pencils, crayons, paper, scissors, paste, magazines, pictures, etc.

### **Lesson 4: CHILDREN'S WRITING**

This lesson explains how young children begin to write and shows parents ways to encourage writing at home.

### **Lesson 5: MATH AT HOME**

This lesson demonstrates games and activities to help children understand numbers and arithmetic.

### **Lesson 6: COMMUNITY LITERACY**

This lesson encourages parents to share their own literacy uses with their children while at home, at the market, and during other daily activities in the community.

### **Lesson 7: BOOK FAIR, BOOK SELECTION & BOOK SHARING**

This lesson offers a Book Fair, Book Selection and Book Sharing information where parents can come and select children's books that are appropriate and enjoyable for their age. Parents will also learn several effective ways to share the love of reading with their children

#### **The following lessons can be scheduled upon request:**

- Lesson 8: Songs, Games and Language (EYC)
- Lesson 9: Parent's and Homework
- Lesson 10: Parent-Teacher get together
