Parent, Family, and Community Engagement Simulation: Boosting School Readiness through Effective Family Engagement Series

What you do and say matters! Explore and practice everyday strategies to develop Positive Goal-Oriented Relationships with a family. These relationships are key to our work with children and families, including the journey toward school readiness. Simulation 1 allows you to practice building bonds with families, beginning with an intake visit. Simulation 2 explores the process of developing and implementing goals with families. Simulation 3 explores using strengths-based attitudes to partner with families during challenging times.
